Dear Friend of All Saints Children's Center,

All Saints Children's Center is a non-profit, non-sectarian child development center serving infant through pre-kindergarten children. For nearly forty years, the Children's Center has provided countless children in the Pasadena area with a high quality, developmentally appropriate program. We have the distinction of being certified by Los Angeles Universal Preschool (LAUP), an independent preschool accessible to every four-year-old in the County. In fact, last year we were one of only two LAUP-selected schools in all of Pasadena.

The Children's Center is in the process of relocating to our new Linda Vista Campus. We are currently engaged in an extensive remodel of the facilities to accommodate the Center's needs. We have installed high quality modular buildings and have begun preparing the outdoor play area. While we have received generous support from the community in past fundraisers, we have not yet achieved our goal and are calling upon you again to assist us in making this transition a reality.

**Support from community members like you is critical to the continuation of All Saints Children's Center.**

On April 17, 2009 we will be having our 7th annual Spring Fling Silent Auction, and we would greatly appreciate your assistance and support through a donation of services or goods in-kind. Your donation is tax-deductible and all donors will be mentioned in our program.

Your tax-deductible donation will help provide us with the funds we need to meet our goal of successfully moving our campus, without curtailing our high quality programs, or limiting available scholarships. In supporting the Children's Center you will give a lasting gift to the families we serve, the teachers we employ, and the community in which we have been an active part for nearly four decades.

If you have any questions please do not hesitate to call me at (626) 449-0985. Thank you in advance for your support.

Warm regards,

Sandy Ahlstrand  
Executive Director
